

Interlocking Dining Table

Two pieces of Quilted Makore slide through each other fitting together without glue to create this dining table. Wenge wood is used at one end and supports a 2" - 50 mm thick wooden top also inlaid with Wenge.

Dining tables are made to order so we are able to easily change the table dimensions and insert leaves and extensions. Prices are quoted by table size.

Shown in Macassar Ebony and available in other woods.

Dimensions

Height: 30" - 76cm
 Width: 84" - 213cm
